SESSION 1

Drawing and Painting

September 8-October 24

Drawing from Observation

Mondays

Students will be doing a wide variety of different exercises in order to become better at drawing. By the end of the class youth will have some amazing skills and many wonderful drawings!

Awesome Acrylic Painting

Wednesdays

Learn the basics of using acrylic paint, how to use certain gel mediums, learn about color theory and how to use different tools and brushes in this fun acrylic painting class.

Papermaking and Watercolor

Fridays

Students will learn how to make paper and then use it in watercolor paintings. We will also learn a wide variety of tricks and techniques, color theory, and how to use different layers of color to create beautiful watercolor paintings.

SESSION 2

Clay, Sculpture, and "Fun"ctional Artwork

October 29 - December 19

"Fun"ctional Artwork

Mondays

Just in time for the holidays, students will create a wide variety of different "fun"ctional artworks including a painting turned into a clock, a screen print onto a T-shirt, and a sculptural mug or vase!

Clay Creations

Wednesdays

Students will learn different hand building projects of pinch, slab, and coil to create different sculptural clay projects including their own imaginary animal or creature bank (like a piggy bank), a face vase or mug, and sculptural salt and pepper shakers.

Fridays

SCULPTacular

Students will explore different ways to create three-dimensional sculptures from their own imaginations. Younger students will be creating their own large paper mache monsters. Older students will create a figurative sculpture out of wire and plaster, a small paper mache creature, and their own creative sculpture using clay and found objects.
